FOR ALL SOFTWARE COMPONENT PRODUCT(S)**

Definitions: This Theobald Software License Agreement ("EULA") is a legal agreement between you (either as an individual user, corporation or single entity) and Theobald Software GmbH for the Xtract for Alteryx product which includes computer software, and may include associated media, printed materials, and online or electronic documentation ("SOFTWARE PRODUCT" or "SOFTWARE"). By exercising your rights to install Xtract for Alteryx, you agree to be bound by the terms of this EULA, including the limitations and warranty disclaimers. If you do NOT agree to the terms of this EULA, you may not install nor use Xtract for Alteryx;

SOFTWARE PRODUCT LICENSE

Xtract for Alteryx is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

1. GRANT OF LICENSE.

This is a license agreement, and NOT an agreement for sale. Theobald Software GmbH retains ownership of the copy of Xtract for Alteryx in your possession, and all copies you may be licensed to make. Theobald Software GmbH retains all rights not expressly granted to you in this LICENSE. Theobald Software GmbH hereby grants to you, and you accept, a non-exclusive, non-transferable license to use and copy Xtract for Alteryx only as authorized below.

Provided that you have accepted these terms contained herein, this EULA grants you the following rights:

Installation and Use:

Subscription Server License: You are granted a license for all developers (individuals) of your company (legal entity) and contractors that you authorized to use the software (Xtract for Alteryx) on your company's behalf to use Xtract for Alteryx on one specific named server. The subscription is timely restricted. After the expiration of the contracted period the subscription will be renewed automatically for another year, if the contract is not cancelled in accordance with the notice period. At no time may Xtract for Alteryx be used by non-employed individuals of your organization for any purposes - nor may Xtract for Alteryx be distributed to any place outside your organization and nor may Xtract for Alteryx be used to transport data that is not owned by your organization.

Subscription Desktop License: You are granted a license for one user / Alteryx Designer license within one physical address (company site). The subscription is timely restricted. After the expiration of the contracted period the subscription will be renewed automatically for another year, if the contract is not cancelled in accordance with the notice period. At no time may Xtract for Alteryx be used by non-employed individuals of your organization for any purposes - nor may Xtract for Alteryx be distributed to any place outside your organization and nor may Xtract for Alteryx be used to transport data that is not owned by your organization.

Subscription Desktop Scheduling License: You are granted a license for one user / Alteryx Designer license within one physical address (company site). This license allows the usage with the Alteryx Designer including the scheduling function. The subscription is timely restricted. After the expiration of the contracted period the subscription will be renewed automatically for another year, if the contract is not cancelled in accordance with the notice period. At no time may Xtract for Alteryx be used by non-employed individuals of your organization for any purposes - nor may Xtract for Alteryx be distributed to any place outside your organization and nor may Xtract for Alteryx be used to transport data that is not owned by your organization.

Source Code License: This includes all rights and responsibilities associated with the Server License as well as a copy of the commented source code and the rights to create your own build for your business needs. You do not have rights to redistribute the source code to 3rd parties and you are legally responsible for maintaining its secrecy. You do not have rights to sell the build result as a component or redistribute in any way as a standalone product. The source code copy will not contain any licensing and code signing logic to protect future and current products of Theobald Software GmbH Components.

Trial License: This includes all rights and responsibilities associated with the Enterprise Edition including an Add-on for a limited amount of time. This license may only be used for purposes related to your initial internal evaluation and proof-of-concept activities and shall not be used for development or testing purposes, even on a temporary basis, after a commercial license has been purchased.

For All Licenses: In no case shall you rent, lease, lend, redistribute nor re-license Xtract for Alteryx or source code to a 3rd party individual or entity, except as outlined above. In no case shall you grant further redistribution rights for Xtract for Alteryx to the end-users of your solution. All desktops/servers on which you are going to install our software have to be licensed. It is independent if this is a productive environment or a non-productive environment.

2. DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS.

Termination. Without prejudice to any other rights, Theobald Software GmbH may terminate this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must destroy all copies of Xtract for Alteryx and all of its component parts, source code, associated documentation, and related materials.

3. COPYRIGHT.

All title and copyrights in and to Xtract for Alteryx (including but not limited to any images, photographs, animations, video, audio, music, text, and "applets" incorporated into Xtract for Alteryx), the accompanying printed materials, and any copies of Xtract for Alteryx are owned by Theobald Software GmbH. Xtract for Alteryx is protected by German copyright laws and international treaty provisions. Therefore, you must treat Xtract for Alteryx like any other copyrighted material.

4. LIMITED WARRANTY.

NO WARRANTIES. Theobald Software GmbH expressly disclaims any warranty for Xtract for Alteryx. Xtract for Alteryx and any related documentation is provided "as is" without warranty of any kind, either express or implied, including, without limitation, the implied warranties of merchantability, fitness for a particular purpose, or non-infringement. The entire risk arising out of use or performance of Xtract for Alteryx remains with you.

5. LIMITATION OF LIABILITY.

NO LIABILITY FOR CONSEQUENTIAL DAMAGES. In no event shall Theobald Software GmbH or its distributors be liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use this Software and related materials, even if Theobald Software GmbH has been advised of the possibility of such damages. Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you.
